

Bude-Stratton Town Council - Annual Data publication

Reporting Period : 1st April 2014 - 31st March 2015

Pay Multiple

The lowest paid workers are defined as adult employees encompassing permanent, seasonal, full and part time, on a full time equivalent basis.

The Council's lowest paid employee is current on the National Joint Council Spinal Column Point 7.

This basis was chosen for comparative purposes as we have a number of young seasonal workers (who are paid in accordance with the National Minimum Wage) that would skew the results.

The Pay Multiple defined as the ratio between the highest paid taxable earnings for the given year and the median earnings figure of the defined Council's workforce is:

2.72%
