

Bude - Stratton Town Council

Vision & Priorities

Fulfil our statutory functions and commitments whilst being open, accessible and listening to the residents we serve.

Protect and enhance the biodiversity, natural beauty and heritage of the area through the services we provide to the community.

Our Vision
To support the local community to achieve a sustainable and carbon neutral future, that embraces the wellbeing of our residents, the environment and economic viability of Bude and Stratton.

Plan for a future that considers both periods of stability and instability within the economy, climate and wellbeing of our residents.

Support our residents and visitors in engaging positively with the environment to improve their physical and mental health, and wellbeing.

Nurture the economic wellbeing and viability of the area through collaborations with Cornwall Council, local businesses and community groups.
