Sue Kessell

Bude Climate Partnership

Ian Saltern

Officers in Attendance

Keith Cornwell

Town Clerk - Bude-Stratton Town Council

1 Introductions

Members of the team made introductions and apologies noted

2 Ways of Working

Collective working as a team was seen as the key to the Town Team's success. Meetings would not be as formal as those of the Town Council and key points and decisions captured in minutes. The current terms of reference make the meeting open to the public, **private sector partners were asked to feedback on that principle.**

It is felt that the TT should have a logo, **an early draft was tabled for feedback**

3 Triangle presentation

The context of Cornwall council's work on town vitality was given, with a move towards experience rather than pure buying taking place in centres.

A concept design for the Triangle was presented and discussed. It is hoped to fulfil many needs with covered space, performance area, eco toilets, fountain play area, seating and space for biodiversity. The grass area remained much the same size and additional space would be reclaimed from the road network reducing traffic speeds and giving greater priority to pedestrians and cyclists. The scheme presented is an early draft and will be subject to further review, refinement and consultation over time.

All – Feedback to JN on design ideas

4 Formation of Project Teams

Three sub-groups were being formed to take the project forward:

| Planning and Design | Grant funding and Budgeting | PR Marketing and Consultation |
|--|------------------------------------|---|
| Frankie Tony James Jonathan Sean John | Keith Peter Ian | Cal Linda Mark H Sue K |

The team will encourage others with relevant skills to join the sub-groups

Future agendas will contain progress reports from each sub-group.

JN has produced a pathway of project milestones that would take the project to a planning pre app stage.

It is intended to put the project to Full Council in March to ask for endorsement.

5 Visits

Scott Mann MP will be visiting Bude on the 18th February and arrangement have been made for the Tony and Linda to meet and walk the Triangle area with him.

Arrangements are in hand for Cllr Rushworth (Cornwall Council Economic Development Portfolio Holder) to visit the site in March.

6 Date of next meeting

To be arranged – provisionally Wednesday 16th March 2022
